

PART B: MEMBERS INTERESTS

Complete this form if you would like your interests to be included in our on-line Directory. The Directory is updated monthly. The interests of members who join after publication will be shown in the next newsletter. Please write clearly in **BLOCK CAPITALS** your name, address and postcode. If you need more room, or an "interest" may be so unusual or specific that you would find it easier to write a short paragraph giving all the information – the reverse of this form is a convenient place. The query may be featured in the next newsletter under "Help Wanted". A recent example of this was a member looking for information about families who had lived at a specific address.

Note: To conform with the General Data Protection Regulations neither your Postal or email address will be published.

To make contact about a Name of Interest, an enquirer will fill in the on-line query form on our website. Clicking on the "Submit" button will send their message to the Members' Interests Secretary at membership@mnfhs.org, who will pass the enquiry details on to the relevant member, whose interest the enquiry relates to, who can then reply to the enquiry, releasing their email address for direct contact to take place between the two sides.
